

Carving & Engraving

Hutton Stone Co Ltd provide a full Carving and Engraving service to compliment our Banker Masonry service. Our resident carver Michelle de Bruin is able to produce anything from Headstones, Pet Memorials, Date and Name Stones to Crest's, Coats of Arms and Gargoyles in an array of different styles and can produce many varying hand carved lettering styles to provide an authentic traditional finish to your project. Having taken your requirements either CAD produced drawings or Hand drawn depictions (depending on the piece) are provided for your approval prior to production.
